WINCHESTER COUNTRY CLUB

As a Golf Ambassador for Compassion Planet's Compassion Cup, you'll be more than just a golfer – you'll be a champion for local aged-out foster youth and at-risk youth. Join us in supporting Compassion Planet's mentoring program, providing essential services for our youth to thrive.

WHY BECOME AN AMBASSADOR?

You'll enjoy a day of golf, after party, swag bag, and raffle while networking with like-minded individuals who care about our cause as much as you do! Your entry into this year's Compassion Cup is fully funded by our local sponsors!

Ambassador Goal: Channel your energy into raising funds for our youth programs.

Fundraising Goal: Aim to raise \$1,000 or more personally to make a significant impact.

Our Goal: To fund 100 ambassadors and raise over \$120,000. Every dollar you raise will directly underwrite programs for our youth.

Join the Compassion Cup as a Golf Ambassador, sign up now, and tee off for a cause!
