This year's event strengthens our SPARKS Workshops, hands-on classes that build practical life and career skills and create pathways to meaningful employment. Your participation in Boots & BBQ, along with your generosity, will help fund these programs.

YOU'RE INVITED: TRANSFORMING LIVES | BUILDING FUTURES

Join us for Compassion Planet's Boots & BBQ 2026, an unforgettable evening with exceptional food, live music, country games, live and silent auctions, inspiring stories of transformation, and entertainment from our emcee, Mark S. Allen.

More than a great night out, Boots & BBQ is a chance to invest in young adults working to overcome tremendous obstacles and build independent futures. Every dollar raised supports Compassion Planet's mission of equipping aged-out foster youth and at-risk young adults with the skills, confidence, and opportunities they need to thrive.

This year's event strengthens our SPARKS Workshops, hands-on classes that build practical life and career skills and create pathways to meaningful employment. Your generosity will help us:

- Modernize our STEM Labs at the Rocklin and Sacramento campuses
- Bring Compassion Ranch trades training into the future with modern cordless power tools
- Add another 15-passenger van to safely transport participants between campuses

These are more than equipment purchases, they are investments in opportunity that open doors to employment, independence, and hope. Together, we're not just raising funds...we're building futures.

We hope you'll join us for an evening that celebrates transformation and reminds us that when a community comes together, extraordinary things happen!
